FUTURE TECH

Only solution to manage your entire educational institutions!!

edu@campus - the best solution
for Schools, Colleges and Universities

✘ *edu@campus* Offers complete and comprehensive information, entry to end details of Student & Staff, Administration, Examinations, Fees, Attendance, Payroll, Finance Management, Library, Canteen, Hostels, Transport and Security Privileges etc., in a campus environment.

One solution for complete campus ERP & Website

✘ Multi institute option

✘ Campus level data uploading

✘ Customization

✘ Quick returns on investment

✘ Continually expanding features

✘ Easy integration of additional modules

ADMINISTRATION

Multiple institutes in a campus can be maintained. Complete administration details of institute, bank accounts, contacts, timings, holiday calendar, leave masters, payroll allowances, PF, ESI, etc., details are defined. Statutory reports for Government organizations, registered bodies, departments and universities can be customized.

STUDENT

Entry to end details of student are available in Student Admission Module. Student admissions, personal details, Id card, extra curricular activities, medical & fitness history, career growth chart, year-wise, grade-wise profiles, achievements, scholarships and academic profile are available at a single click.

ATTENDANCE

Staff and Student attendance with all necessary reports can be generated. Attendance module can be used in manual mode or can be integrated with proximity, smart card and biometric solutions.

PAYROLL

Compiling Payroll and generating pay slips to each & every employee is a tedious job. Administration & Teaching staff payroll with all statements, payments, deductions etc., details are generated. To generate payroll with accuracy - a TRUSTED Software is required.

FEE MANAGEMENT

Fee Management in an institute is a real challenge. Collection details of fees course-wise, quarterly, yearly, exam fees, receipt generation, dues reports, additional fee types as required by institute can be defined and maintained.

INFRASTRUCTURE

Complete credentials of the institute, society, governing council / body members is presented. Infrastructure details of each institute, affiliations, recognitions, achievements, tie-ups etc are made public.

DEPARTMENTS

Information related to all the departments in the institute is maintained. Department wise, courses, branches, sections, student intake, Time table can be maintained. Complete syllabus for each curriculum can be listed and made available to students. Reports required for students, staff and parents can be segregated and made available as per institute policy.

STAFF

Appointment & joining records of Administration & Teaching staff are made available. Academic calendar, previous experience, expertise details, terms of agreement and personal information are available to institute management.

EXAMINATIONS

Examination department plays a key role in the institute. Complete student career information with pass, grade and percentage details are maintained. Year-wise student lists with Internals, Externals, promotions, detentions along with relevant details are available. Examination calendar, syllabus are made available to public.

ACCOUNTS

Accounts and finance management of single & multiple institutes can be maintained. Voucher entries, day book, creditors, debtors, purchase register, fee register, profit & loss accounts, fee outstandings, course-wise, year-wise balance sheets and all accounts ledgers can be maintained.

LIBRARY

Library management in an institute is a herculean task. Purchase of books and periodicals, issues & receipts of books to & from students, due dates & late submissions, book tracking details etc. are part of Library Management Solution. Automatic book recognition with bar code integration as per institute requirements.

SECURITY

Users Information, User Roles and Privileges, module wise and page wise security levels, form / page level permissions, users log history, back up and recovery facilities can be administered.

Any where - Any place - your institutions at your finger tips !!
